Student Banking

Hi bankers, it’s good to see that everyone is back into the routine of banking. I don’t have to remind students or track them down for their deposit books as much now. What an inspiration to see so many enthusiastic, dedicated student bankers in the school.
If you would like to open an account for your child please call into the office Wednesdays or see me Thursday mornings. Transition Program students wishing to bank may do so on Fridays.

This terms rewards are Glow-in-the-dark Solar System and Cosmic Light Beam Torch. Commonwealth Bank has a website that the kids can interact with. It has some interactive games, colouring pages and puzzles.
